

Reminder: Bing access expires on Dec 31st for MapInfo Pro v12.5

Bing access will expire on Dec 31st for MapInfo Pro v12.5. To continue to access Bing you can upgrade to v15.0 or v15.2. Customers entitled to v15.0/15.2 should already have been contacted via e-mail with a method to extend Bing usage.

This facility is provided in case you cannot get MapInfo Pro upgraded before the end of the year. If you have missed the email, please get in touch with us.
