

## MapInfo Professional Maintenance Release (v11.0.1) is Now Available

Pitney Bowes Software is pleased to announce the latest update to MapInfo Professional. This release is available for free to MapInfo Professional v11.0 users. You can obtain this update by opening MapInfo Professional 11.0, and selecting the "Check for Update..." option under the Help menu. The update addresses over 40 customer reported issues. These fixes are likely to help you in your daily work with MapInfo Professional. Below are a just some of the highlights of this update.

When MapInfo Professional closes unexpectedly, it now generates a binary file called minidump

FME Upgrade from FME 2010 to FME 2010 SP4

Progress and Resolution of Outstanding Issues
