What is “The MapInfo Professional”?

The MapInfo Professional is a monthly journal designed to help MI Pro users to get the most from the software. Each issue contains useful tips, tricks and info. There will be occasional contests and an aim to have a little fun along the way. Our goal is to make our customers more successful with the software and build up our community of users.

The journal is delivered via e-mail, visit <http://www.pbsoftware.eu/uk/miprosignup> to subscribe.
