

The Northern Regeneration Conference 24 - 25 October 2006

With the focus very much on delivery, this year's second annual Regeneration & Renewal summit will assess what has been achieved in the last few years to grow the North's economy.

Over two days, gain insights into the ten hottest economic drivers to help propel the North into one of the top global economies:

- 1 Local Government Reform
- 2 City Regions
- 3 Art and Culture
- 4 Enterprise Growth
- 5 Double Devolution
- 6 Science and Innovation
- 7 Infrastructure and Transport
- 8 Skills Development
- 9 Property Development
- 10 Sustainable Housing

CDR will be exhibiting at this event at the Magna Centre in Rotherham.
